

IT 230 | Web Service Technology

Final Term Subject Requirement

Gersava, Valenzuela, Arguelles, Dajay

Specifications 15%

The Web Service meets all of the specifications.

10

Code Readability 20%

The code is exceptionally well organized and very easy to follow.

19

Functionality 20%

The Web Service works without major errors

12

Efficiency 15%

The code is extremely efficient without sacrificing readability and understanding.

15

Delivery 10%

The Web Service source code was delivered on time.

9

Code Documentation 20%

The documentation is well written and clearly explains what the code is accomplishing and how.

Teacher's Comments

Congratulations! You managed to implement a portion of a Natural Language Processing algorithm. **Unfortunately**, the project doesn't have a web service. I deducted big points to the specification and functionality components because the web service was not implemented.
